### **Class Policies:**

*Food and Drink:* There is no food or beverage allowed on the playfloor during GKV classes. We also require you to turn off your cell phone during classes. Continued disregard of these rules may lead to dismissal from class and forfeiture of your tuition.

*Liability:* GKV staff will take every precaution to ensure safe and fun classes for all attendees. When working with children, occasional minor injuries may occur. Clients agree that GKV, Andy's Parties and staff members will not be held liable for any damage to property or injury to attendees. GKV always keeps a first-aid kit available for minor injuries. Children who are not completely potty-trained must be accompanied by one parent/guardian during the entire class. Parents of students of any age are always welcome to observe class.

*Photo Release:* We may occasionally take photos of classes for use in future advertisements or brochures. You agree that images of you and your children may be used for this purpose, and that the pictures remain property of GKV and Andy's Parties.

*Refunds:* Class punchcards are non-refundable and expire one year from purchase date. In case of inclement weather, please call GKV (410-497-PLAY) or check [www.greatkidsvillage.com](http://www.greatkidsvillage.com) to find out if class has been cancelled. Otherwise, we will email the registration list with any changes to the schedule.

**Non-neighbors using punchcards at GKV:** class punchcard entrance includes the child taking class and one adult. Anyone else in your party must pay general day-pass rates. Want to stay after class and play? It's only 50% of general admission to stay and play after class. Become our neighbor and avoid the hassle and save the pennies!!
